DESCRIPTION

KIA Niro électrique Wind+ TA 2026 à vendre

This 2026 Kia Niro EV Wind+ is available as a new unit at Olivier Kia Sorel-Tracy in Sorel-Tracy, showing just 10 km on the odometer - making it virtually brand new. This all-electric SUV represents one of the cleanest entries into the EV segment available today. The Niro EV occupies a strong position in the compact electric SUV segment, balancing a practical footprint with a fully electric powertrain and a solid range suited to both city commuting and regional travel. Kia's reputation for reliability and strong residual values makes the Niro EV a sound long-term choice. The Wind+ trim adds meaningful content over the base configuration, making it a well-rounded option for commuters, young families, or anyone looking to make the switch to electric without compromise. With only 10 km logged, this vehicle is essentially untouched, backed by the full manufacturer warranty still intact. Ol...

Original Manufacturer's Warranty: 100,000 KM
